PROTOTYPING FACILITY  
QUALCOMM INSTITUTE (QI/CALIT2)  
UNIVERSITY OF CALIFORNIA, SAN DIEGO

## USER AGREEMENT

This document serves as an agreement between the Prototyping Facility and \_\_\_\_\_ ("USER", named Participant above), regarding the use of the Prototyping Facility.

The USER hereby acknowledges and agrees to comply with all Prototyping Facility *POLICIES AND PROCEDURES*, to have completed UCSD's IIPP (Injury and Illness Prevention Program), to follow all general and machine specific safety guidelines and lab rules, and have attended the Prototyping Facility Orientation. The USER agrees to follow any and all policies pertaining to gaining access to the Prototyping Facility, authorization to use any systems or tools in the Prototyping Facility, and for performing any processing in the Prototyping Facility according to Prototyping Facility Protocol.

The Principal Investigator or Supervisor ("PI") acknowledges responsibility for facility fees incurred by the USER in his/her use of the Prototyping Facility. The PI acknowledges he/she may be financially liable for equipment or other property damage if it is found to result from negligence or deliberate violation, by the USER, of standard Prototyping Facility policies and procedures.

While the USER will be trained in general machine shop safety before being allowed to use equipment, and in the operation of the particular processes required by the USER's work, the USER assumes primary responsibility for his/her personal safety. It is expected that the USER will operate all instruments and equipment in a safe and professional manner, consistent with the operating instructions and the machine shop rules. The USER acknowledges that Prototyping Facility is a community of professional and student researchers. As such, courteous, professional, responsible behavior is expected at all times. Access to the Prototyping Facility is a privilege and may be revoked at any time.
